Celebrating our
26th Year !

Tualatin Valley Community Band

The Tualatin Valley Community Band is composed of volunteer individuals who have played musical instruments in high school, college, and with other groups. Members range in age from 14 to 80. We are currently in our 26th season of celebrating and sharing music with our community.

We have three goals:

- (1) to provide high quality live public music performances for civic and educational functions;
- (2) to provide an opportunity for musicians of all ages and backgrounds to perform music;
- (3) to foster music education by providing individual scholarships and donations to music education programs.

Our members supplement school music programs through charitable and volunteer activities. In a time of school music program cutbacks, we have upgraded school music facilities, tutored student musicians, and provided opportunities for students to perform outside of school.

Since 1997, the band has provided over \$13,000 in scholarships to entering college freshmen who are participating in a music program and have a continuing interest at the college level.

All of our concerts are free. TVCB is a 501(c)(3) organization. We are a not-for-profit, tax exempt organization recognized by the state of Oregon and the IRS. All contributions are tax-deductible.

Upcoming performances include:

- July 4: Tigard Fireworks at Tigard High School (8 PM)
July 20: Summer Concert in Cook Park, Tigard (7 PM)

And don't forget to visit our website (www.tvcb.org) to see our full 2014 concert schedule.
